Please go to the next stop or directly to camp if you miss your stop! If your camper is not picked up within 5 minutes of drop off time in the afternoon, the bus counselor will contact the Camp Office, keep the camper on the bus, and move to the next stop.

Campers must be supervised at the stop by an adult until the bus arrives.
Counselors are on each bus to ensure the safety and supervision of campers.

No food or drinks are to be consumed on the bus.
